

Sponsor a Camper

Make an eternal difference in a young life!!

We are committed to providing a life-changing week of summer camp that is

affordable for all unreached or urban children. Many would not be able to come, except for generous friends who care enough to sponsor these campers.

This summer we expect the cost of bringing a child to camp for a week to be \$63. The camper fee is \$34. Your gift of \$29 will provide a sponsorship to assist one child. A child will experience the thrill of God's wonderful love for them because you gave. On behalf of each camper you sponsor, "Thank you"!!
